Rare "cosmetic fixer" opportunity in the highly sought after and rarely available Crown Terrace neighborhood! Original owners hand-picked this lot, and have created decades of family memories here. With vaulted ceilings and large public rooms opening to the spacious covered lanai and refreshing swimming pool, this is a great home for entertaining! Great views of the Koolau Mountains from your living room and pool areas! Stainless steel refrigerator, stove, and dishwasher in the kitchen, and plenty of ceiling fans throughout! Attached to the oversized garage are a couple of great "extra" areas that make for a great workshop, storage, or a home office! The property is easy to see, please contact a Realtor or the listing agent to view this property before it's SOLD!
